

ATF Modernization and CPSC Activity Update

James Fuller

Feb 2024

ATF Rulemaking - Modernization

- Michael O'Lena is with us this week!
- ATF has phase one drafted, and internal reviews are nearly complete
- Next step, Department of Justice Review

Timing:

- Best case scenario, 2024 release of DNPR
- Political campaign season may create delay
- ATF moving to have rulemaking added to the Administration's "Unified Agenda"

ATF Rulemaking

- Phase one Rulemaking covers:
 - Definitions – mainly to better align with DOT and CPSC definitions.
 - Licensing
 - Record Keeping
 - Under evaluation and discussion – adding Articles Pyrotechnics

Additional Phases:

- Classifications
- Storage
- Potentially – Fireworks specific section of regulation

CPSC Outreach – Professional Use Only

- Grated meeting request on professional use only issue, with Executive Director and team
- APA team assessing next steps
 - Conducting a meeting in-person vs. via Zoom
 - Cost/benefits
 - Potential for additional meetings with Commissioners
- Brief CPSC on APA Education and Safety Foundation – National Safety and education campaign for 2024 Holiday seasons
